Social skills and competences

I have excellent skills for team working and inter-human communication, I like working with people and I am communicative and easily adapt & integrate myself into new groups. During my professional life I performed activities in different groups & teams (groups of students, experts in Physics, teaching staff of the University of Pitești, European partnerships and representatives of socio-economic environment). Good ability to adapt to multicultural environments, gained through my work experience in the framework of EU projects.

Organisational skills and competences

I'm in top managerial position for more than 12 years, organising activities in international and national frameworks or professional networks that involves more than 50 permanent staff and some other 400 part-time or provisional staff. In very well experienced in project design, implementation and development, being a very good budget designer and financial officer. I coordinated trans-national teams of more than 30 persons, from different European or accession countries. I organized summer schools for educational projects designing, I worked with students in performing cultural events (The Evenings of the Physics Engineering Students), I was the coordinator of the student editors of the "IF" Magazine for students at Physics Engineering and Chemistry-Physics. I was involved and still I am in European educational projects (as coordinator or/and partner). I used to be the organizer for family or friend parties.

Technical skills and competences

Excellent accountancy skills
Good skills in using different specialised software.

Computer skills and competences

Very good command in word processing and other similar applications (Microsoft Office™ tools, Corel WordPerfect), database searching, acquaintance with Internet and other communication software. Experienced in using Virtual Learning & Working Environments.

Artistic skills and competences

Other skills and competences

I like sport (I practiced boxing during the post-secondary school at a registered sports club; I play football and volleyball). I'm pretty good in PC assisted graphic design.

Driving licence

I obtained my driving license in November 2004.
